RedTeam on the Road – Why submit to speak

About the event

RedTeam on the Road is a 3-city event that aims to provide RedTeam users with insights on RedTeam's product roadmap, training and networking opportunities. As a speaker at any of the three events, you'll be able to contribute to the knowledge-sharing and thought leadership within our industry.

Speaker benefits

Complimentary travel and accommodation: RedTeam will cover the cost of travel and provide a complimentary hotel room if needed, ensuring minimal expense for your company. There are no fees associated with the event itself.

- **Enhanced credibility:**
Speaking at an event like RedTeam on the Road will help boost your professional credibility and help position you as a thought leader among your peers..
- **Increased visibility for you and your company:**
By sharing your expertise and insights with your industry peers, you can raise awareness of our company and its capabilities. You'll be able to generate new personal and business connections and potential business opportunities.
- **Networking Opportunities:**
RedTeam on the Road will bring together RedTeam's user community. As a speaker, you'll have the chance to connect with and learn from your peers during your session and added networking opportunities.

What to expect from the event

RedTeam on the Road will provide an opportunity to connect with RedTeam's leadership and product team throughout a one-day event. Hear from our CEO and CSO during the keynote and closing reception and engage with our team of product experts during 3 RedTeam-led sessions. Three client-led sessions provide the opportunity to further learn from and connect with your peers.
